## Inside Your Congress

### Tower of Babel

—by—  
SAMUEL B. PETTENGILL  
"The Gentleman from  
Indiana"

Progress: Movement in any direction.  
Fascist: Anyone opposed to Communism.

Liberal: One who restricts liberty and extends the power of government; also, one who is liberal with other people's money.

Reactionary: One who believes that two from two leaves nothing.

Conservative: One who would conserve and preserve the Constitution of the United States.

Patriot: One who loves other countries more than his own.

Such is the new dictionary. But it is as old as the hills. In 400 B. C. Thucydides told of cunning men who suck the truth out of words until "they no longer bore the same relation to things but were changed by them as they pleased." The Modern Tower of Babel is called Semantics. It is a device by which Socialists and Communists urge their followers to work "under the earth like moles, slowly and gradually undermining the existing system."

"Contribution" and "public debt" to mean "investment." It is time for Boobus Americanus to get wise to these moles. Here are other examples showing how they undermine words:

Prosperity: The result of destroying wealth in time of war.

National Debt: A huge national asset, averaging \$8,000 per family.

Taxation: Taking Mr. New's pay envelope and handing it to Mr. Deal.

Dollar: Wealth created by government printing the words "One Dollar" on a piece of paper.

Government Bond: A participating certificate in the taxing power of government; also, a credit against taxes you will pay in the future.

Subsidy: Device by which to tax the returning veterans to pay for the groceries eaten by civilians.

Price Control: Making price tags tell lies for political purposes.

Preventing Inflation: Tying down the needle of the pressure gauge so the boiler won't explode.

Government Expert: A spidery person who spins facts and fiction around ballot boxes.

Democracy: The kind of government we officially have said that Russia has.

Apposer: One who condemned giving Czechoslovakia to Hitler and approves giving it to Stalin.

Act of Aggression: Complaint by a small power against being eaten alive by a large power; e.g., Finland. First Partition of Poland: The partition by Russia, Prussia and Austria without consulting Poland.

Fourth Partition of Poland: The partition by Stalin, Churchill and

## "Hour With Peer Gynt" Is Thoroughly Enjoyed

LANGHORNE, Feb. 22.—The Rev. N. Herbert Caley, rector of St. James' Episcopal Church, and dean of the Convocation of Germantown, addressed members of Langhorne Sorosis yesterday afternoon on the subject "An Hour with Peer Gynt."

He was introduced by Mrs. Ernest Gamble, Sr., chairman of the music committee.

The Rev. Mr. Caley informed that "The poetic drama was written by Henry Ibsen who asked Edward Grieg to compose the music for it. This was a gigantic task as the drama is extremely long, and the production on the stage requires 52 speaking parts, plus others. It was first played in Christiania in 1876, later produced in Paris and Vienna, and for the first time in America in Chicago, Ill., in 1906. Richard Mansfield played in it, and found Peer Gynt his most difficult part, it being a physical and mental strain to portray the character that was, according to George Bernard Shaw, 'everybody's hero.' Peer Gynt's adventures took him over a large part of the world, and involved him in many situations with personal conflict and emotions most beautifully described by the accompanying music. Grieg drew upon the Scandinavian folk music for the tunes, for the hero is Norwegian."

The talk was interspersed with a few of the better-known selections from the Peer Gynt suite which Mrs. Phillip G. Lewis, club president, played on a record machine. The program was under joint sponsorship of the literature and music committees.

Members were informed of a special meeting arranged for March 22nd and sponsored by the American home committee, Mrs. Paul Bennett, chairman. A home demonstration agent will show how to make slip covers and refinish furniture. Place of meeting is to be announced. Annual reports are due at the March 7th meeting. A community forum is to be held in the library at eight p. m. on March 5th.

The speaker will be from the United Nations Council, Philadelphia. It was announced that St. James' Church is still receiving clothing for overseas relief.

## HERE AND THERE IN BUCKS COUNTY TOWNS

### Activities of Interest To All in The Various Communities

### GLEANNED BY SCRIBES

Over 60 members and visitors attended the second annual banquet of the Middle Bucks Senior Extension Club held in Doylestown, Tuesday evening, Dr. Montfort Melchior, principal of Girard College, Phila., and a former Bucks countian, was the guest speaker.

Barbara Hellyer, Doylestown, who rendered several saxophone solos, was introduced by Merrill Fellman, who acted as master of ceremonies.

Dr. Melchior spoke of the changes that will face the youth of today, the most outstanding of which will be of material things. Going back several centuries, he pointed out the changes then that altered ways of living and stressed the fact that many more will occur in this generation.

"The speed in which this generation and the next will no doubt be traveling through the air will make it necessary for the people of the world to live as one world."

Two applicants for membership were obligated during the business session at the meeting of Keller's Church Grange, Tuesday. They were Mr. and Mrs. William F. Holland.

## Fund of \$20,000 Raised To Build A New Church

SELLERSVILLE, Feb. 22.—A new church and school will be built for St. Agnes' Catholic congregation at Sellersville.

This is made possible by a campaign just completed by the congregation, which raised \$20,000 by public subscription in the borough and parish.

The Rev. C. E. Wenger, rector of the church for nearly 15 years, said ground is expected to be broken in May and the building, Romanesque in design, is to be ready for occupancy in September. The church-school combination will be built near the present site of the oldest and first Roman Catholic church in the North Penn. It will have a seating capacity of 450 persons, and the school a capacity of 250 children.

## POST BUYS A SITE FOR HOMES FOR 'VETS'

### Action of Doylestown Post, V. F. W., Believed First of Kind in U. S.

### THE RADCLIFF FARM

DOYLESTOWN, Feb. 22.—The Doylestown Post, No. 175, Veterans of Foreign Wars of the United States, took what is believed to be the first action of its kind in the country by any group of war veterans when they decided to take care of the housing problems of their own members by purchasing one of the most desirable building sites in this section—the Charles E. Radcliff farm in Buckingham Township on Swamp Road, opposite Doylestown Fair grounds, and just over Doylestown borough line.

Seeking a site on which to build a new VFW home—probably two or three years from now—the building committee of the local post has been looking into a proposition for some time to secure a site that will be suitable for the erection of homes for veterans of World War II, and World War I, and at the same time be large enough for the erection of a new post home.

A number of sites were offered the local post, but the Radcliff farm was decided upon as the best fitted for the development.

After a lengthy discussion and explanation of the plan—a motion was passed by a vote of 37 to 1, that "the Home Building Fund Committee of the post be authorized to incorporate a 'Veterans Land Improvement Company' for the primary purpose of procuring sites and the building of homes for individual veterans, and of developing recreational facilities for members of the Doylestown post."

And secondarily, of engaging in the purchase and sale of real estate and participation in such other business or activity as shall promote the success of the stated primary purpose."

## FALLSINGTON VETERAN IS GIVEN A SUSPENDED SENTENCE AND PLACED ON PROBATION; CASE IS DESCRIBED BY JUDGE KELLER AS "SORDID ONE"

ALLEGEDLY UNFAITHFUL WIFE APPEARS IN COURT WITH HER HUSBAND, HENRY J. ROBERTS—LATTER IS ACCUSED OF SHOOTING AT ANOTHER EX-SOLDIER WHO IS SAID TO HAVE BEEN KEEPING COMPANY WITH MRS. ROBERTS, MOTHER OF THREE CHILDREN.

DOYLESTOWN, Feb. 22.—What President Judge Hiram H. Keller described as "a very sordid picture" was presented in Bucks county criminal court yesterday when an allegedly unfaithful wife of an ex-GI appeared in court with her husband who had been accused of shooting at another ex-soldier who had been keeping company with his wife. It was said.

The defendant was Henry J. Roberts, of Fallsington, who was recently discharged from the Army, to return to his family, consisting of his wife, Bertha, and their three children.

Roberts testified, after pleading guilty to wantonly discharging a firearm on the night of November 28, 1945, that he fired three shots at the automobile of Charles M. Gantz, 25-year-old Morrisville truck driver, who had just pulled up in front of the Roberts home in Fallsington to leave Mrs. Roberts and two of her children out.

One of the shots hit the Gantz car, and the other two went wild. One of Roberts' children was in the car when his own father fired at the car, but Roberts did not know that.

Gantz, on the witness stand, admitted that he had been keeping company with Mrs. Roberts while her husband was in the service.

## BUCKS CO. TWINS ARE REUNITED IN EUROPE

### S. Sgt. Harry C. Terry and Pfc. John W. Terry Now in the Same Outfit

### BOTH SAW ACTION

UNITED STATES FORCES IN AUSTRIA, Feb. 22.—S/Sgt. Harry C. Terry, husband of Ruth M. Terry, Brownsville Road, Trevoose, Pa., and his twin brother, PFC John W. Terry, have at last succeeded in being assigned to the same outfit overseas. They're now with the 542d Field Artillery Battalion of the 42d "Rainbow" Division stationed in Salzburg, Austria.

The Terry brothers, who resemble each other so much that even their buddies find it difficult to tell them apart, are the sons of Mr. and Mrs. Herbert R. Terry, Street Road, Trevoose. Before entering the service they were employed by the Standard Pressed Steel Co. of Jenkintown.

Soon after V-E Day the twins made efforts to get assigned to the same unit. It was only after a lengthy process of paper work sent through the proper channels by their sympathetic commanding officers that PFC Terry was transferred into his brother's battalion.

Sgt. Terry was assigned overseas with the 542d Field Artillery Battalion in January, 1945, and saw action in France and Germany. His brother arrived in France with the 1st Division a month later and fought as a front line infantryman in the Central Europe campaign.

Their present organization, the 542d, is now part of General Mark W. Clark's U. S. Forces in Austria.

## Lupkin is Discharged; Served On An LST

BAINBRIDGE, Md., Feb. 22.—Benjamin Lupkin, R. M. 2/c, was honorably discharged from the navy this week at the separation center here. He is the son of Mr. and Mrs. William B. Lupkin, Dorrance street, Bristol, Pa.

In the navy for three years, Lupkin served for 22 months overseas where he participated in the invasions of Normandy and Southern France. His ship was the USS LST 50.

Employed as a shipping clerk before the war, the returned veteran plans to continue in his pre-war work and also attend school, using the provisions of the G. I. Bill of Rights.

## PEOPLE AT EXCHANGE CLUB

C. W. Berglund, personnel manager of the Bristol Processing Co., was the guest speaker at the Exchange Club meeting held in the Elks' Home last evening. He told members of the factors involved which led to his company making a decision to locate in Bristol, pointing out that the buildings and other physical factors were ideal to the needs of his company to carry on their work.

## Establish Teachers' Summer Scholarships

HARRISBURG, Feb. 22.—(INS)—A \$3500 scholarship fund has been established for a teachers' conservation laboratory at Pennsylvania State College.

The sum represented contributions of seven state-wide organizations co-operating in the establishment of the novel summer school, according to Dr. Henry Klonower, director of teacher education for the Department of Public Instruction and head of the program.

Seventy \$50 scholarships will be made available to teachers desiring to attend the courses. Two terms of three weeks each were being planned, he said.

Field studies of erosion and remedial practices will be featured. Klonower explained, "in order that teachers can adequately stress the need of conserving the state's natural resources in the classrooms."

Organizations participating included the Garden Club of America, Friends of the Land, Isaac Walton League of America, Pennsylvania Parks Association, the Garden Club Federation of Pennsylvania, the Pennsylvania Forestry Association, Pennsylvania Federation of Women's Clubs and the Pennsylvania Federation of Sportsmen's Clubs.

The school will be supervised by Dean Marion R. Trabue of the college's education department.

Instructors will be supplied by the Department of Forests and Waters, Fish and Game Commission, U. S. Soil Conservation Service and the Department of Public Instruction, according to Klonower.

Facilities and services of technical advisers will be loaned by Penn State, he added.

More than 100 teachers were expected to enroll, Klonower stated.

## Shower Gifts Bestowed Upon Miss E. Mellor

NEWPORTVILLE, Feb. 22.—Miss Emma Campbell, Fergusonville, arranged a shower for Miss Ethel Mellor, at the latter's home, Jefferson avenue, Bristol, on Sunday evening. The room was decorated in pink and blue, and over a table laden with gifts was a cluster of white bells with white ribbon streamers extending to the gifts. Refreshments were served, the centerpiece being a miniature bridal party.

Those present: Mrs. J. Steinbrun, and Misses Mary and Catherine Steinbrun, Mrs. H. Mellor, Mrs. P. McInnery, Mrs. Raymond Rudy, Miss Jane Holden, Mrs. R. Kyle, Mrs. E. Mellor, Bristol; and Mrs. L. Perpete and Mrs. J. Campbell, Fergusonville. Miss Mellor is to be married to James Perrone, Bristol, on Feb. 23rd.

## EXPLAINS THE ART OF PAPER MAKING

John T. Leonard, Paterson Parchment Paper Co., is Rotary Club speaker

## AN INTERESTING TALK

John T. Leonard, treasurer of Paterson Parchment Paper Co., was the speaker at the Rotary Club meeting in the Elks' Home yesterday afternoon when he explained various steps in the manufacture of paper.

"There are two basic kinds of paper mills," Leonard said. "These are known as the integrated and disintegrated types of mills. The former manufactures its own pulp and then the finished product, while the latter receives the pulp from other sources. The United States, Canada and Sweden are the main pulp producing countries," the speaker pointed out.

"A pulp mill usually has its own 'woods' operation. Men are sent into the woods in the fall to build dams on lakes and living quarters are set up for the loggers. The lumber is cut into 14-foot lengths and with the high waters of spring the logs are floated downstream to the mills. Here they are cut in four-foot lengths and the bark removed. These logs are stacked in huge piles with a year's supply on hand in normal times. This aging process takes out impurities and pitch."

"The wood is then brought into the mill and put in a chipping machine where each log is entirely cut up and placed in huge cookers. Here the wood is cooked to a fibre and it is then made into sheets. It is in this stage that the disintegrated mills receive their pulp."

"The pulp in this stage is put into beaters and then in vats where it is further refined. Then it is put into a paper machine and comes out a milky substance to be placed on a wire. From the wire it is placed on sheets of wet felt and

## GETS HIS MAN AFTER A WAIT OF ONE YEAR

### "Hotshot" May Taken Into Custody; Said To Have Hit School Janitor

### HAD GONE TO VIRGINIA

DOYLESTOWN, Feb. 22.—William ("Hotshot") May, for whom the Pennsylvania State Police have been looking for more than a year, has been taken "in tow."

Wanted for an altercation with a Newtown school janitor, "Hotshot" thought the police had forgotten about the Newtown incident, he having left for Virginia when things got too hot for him in Bucks County in January of 1945.

On Tuesday, "Hotshot," 17, came to court here, testified in behalf of his sister, and as he stepped out of the court room was apprehended by Trooper Andrew J. Kutney, of the Langhorne sub-station, Pa. State Police.

"Hotshot," a mild mannered young man, who showed a jury how badly a Trenton Negro has almost cut his nose in half, got mixed up with a school janitor in Newtown in January more than a year ago and is alleged to have hit him with a shovel. It all began over a snowball fight as the young man was on his way home.

Before telling it to the "Judge," "Hotshot" will tell it to the state policemen.

"Hotshot" evidently thought the Bucks county officers must have "plum forgotten" about that little trouble of his. Maybe, his natty appearance in court reminded them.

Charges of aggravated assault and assault and battery will be lodged.

## RUSSIANS DECRY "UNBRIDLED ANTI-SOVIET" CAMPAIGN

Moscow.—Official Soviet sources continued today to attack Premier W. L. MacKenzie King of Canada for leading what they termed an "unbridled anti-Soviet" campaign in connection with the Dominion's espionage disclosures.

The newspaper Izvestia, taking up where Pravda left off, declared the alleged campaign is designed to "distract the public attention in Democratic countries from the scandalous position in which (British Foreign Secretary) Bevin placed himself and to come to his rescue."

Izvestia belabored Bevin for the attitude he adopted before the UNO Security Council. It was charged, was "always in sharp contradiction to democratic principles and the rights of small peoples."

Russia has admitted receiving atomic and radar secrets in Canada but insists the Dominion is exaggerating their importance for international political purposes.

## 18 Killed As Police Fire Into Rioting Bombay Mobs

Bombay.—Eighteen persons were killed and more than 250 injured today when police and British troops fired into rioting mobs which burned postoffices, shops and military vehicles and attacked U. S. and other foreign banks.

Dispatches from Karachi, 560 miles northwest of Bombay, said four striking Royal Indian Navy sailors aboard the sloop H. M. S. "Hindustan" were killed and 25 injured before surrendering to British forces which opened fire from shore positions.

The seamen, striking in sympathy with Indian sailors attached to shore installations, yielded after British paratroopers smashed the vessel's gun emplacements with artillery fire.

## JUDGE SENTENCES "MOST PROLIFIC" OFFENDER OF LAW

### 22-Year-Old Appears in Court for Another Motor Offense

### MELVINS ARE ON TRIAL

### Two Men Charged With 8 Counts of Intent to Burn Motor Vehicle

DOYLESTOWN, Feb. 22.—A 22-year-old young man, described by Judge Calvin S. Boyer as the "most flagrant and prolific offender of automobile laws" in the judge's 15 years on the bench, Thomas Gibson, of Shelly, was convicted of a drunken driving charge here this week. Gibson was ordered to pay the costs of prosecution, a fine of \$100, and serve not less than three months nor more than three years in the Bucks Co. prison.

Gibson, who figured in a truck-car collision at Brush Meadow, near Quakertown, November 25, 1945, was fined \$150 on a drunken driving charge in January, 1943. He has also been arrested—and fined—on three charges of speeding and twice for reckless driving.

Deliberating nearly three hours, a jury returned a verdict of guilty. The defendant, who admitted he was drunk when the accident happened, denied that he was driving the car which was his father's. Two other witnesses, Mackey and Stocker, served as witnesses for the Commonwealth and said he was the operator of the car.

Following the accident, Gibson told Trooper Christman: "I'm all right this time, officer. I wasn't driving the car."

"It isn't often that a stronger or clearer case comes into the court and the Court has no doubt, whatsoever, that you were driving because you were in possession of your father's car."

"That evidence offers presumption ordinarily and normally that you would be driving the car. The fact that you have been convicted before made you think up some sort of excuse when you saw the officer. You didn't have time to choose the better of two defenses, but you made up something quickly."

"Why do you continue to violate the motor laws? Apparently, you haven't the slightest respect for automobile laws. I have been trying to think of anything in your favor. In my 15 years on the bench I can't remember a record like this on motor violations," Judge Boyer said.

Led away by the Sheriff, the 22-year-old defendant cried as he began his prison sentence.

Gibson will have to appear before the Pennsylvania Board of Paroles before he can be paroled because of the "three year" condition in the sentence.

Charged with eight counts of intent to burn a motor vehicle and defraud an insurance company, Redman D. Melvin and Frank R. Melvin went on trial before Judge Boyer.

The first witness to take the stand, Harry Trout, 21, of Harrow, an auto mechanic, testified that he towed a car from the top of the Ottsville Hill to his father's garage, near the Harrow, on September 14, 1945.

John Trout, a brother, in the testimony, revealed that he saw the car in his father's garage that same night and started the motor which seemed to run all right, but that the fan struck a portion of the radiator system.

Judge Keller charged the jury in the case of the Commonwealth against Samuel Seidman, of Philadelphia, charged with aggravated assault and battery by automobile. The case was on trial before a jury

**GEORGE WASHINGTON'S VISION**

Two hundred and fourteen years ago was born the man who was destined to go into history as the "father" of the United States, the first President of the nation, the man who was "first in war, first in peace, and first in the hearts of his countrymen."

As a leader of men in battle he was a person of almost reckless bravery. As a leader of men in government he was a person of humbleness and judicious prudence. Virtually his whole career was built upon rigid personal honesty, an honesty so staunch that it invited the childhood fiction of the cherry tree.

Washington's gift to his country went beyond his services during his lifetime of sixty-seven years. His Farewell Address is one of the most magnificent documents of statecraft in modern history. In 1862, Abraham Lincoln in issuing a Washington Day proclamation, recommended that the anniversary be celebrated by the people "by causing to be read to them his immortal Farewell Address."

What, in brief, was Washington's program? First, preservation of the national union. Second, distrust of factions which "put in the place of the delegated will of the nation the will of a party, often a small but artful and enterprising minority of the community."

Third, resistance to "the spirit of innovation. . . . One method of assault may be to effect in the forms of the Constitution alterations which will impair the energy of the system, and thus to undermine what can not be directly overthrown. . . . Remember that time and habit are at least as necessary to fix the true character of governments as of other human institutions."

Fourth, a warning against the "mischiefs of the spirit of party." Fifth, "caution in those intrusted with administration to confine themselves within their respective constitutional spheres. . . . The spirit of encroachment tends to consolidate the powers of all the departments in one, and thus to create, whatever the form of government, a real despotism."

Sixth, the maintenance of religion and morality. Seventh, the preservation of public credit, to avoid the accumulation of debt, "not only by slumbering occasions of expense, but by vigorous exertions in time of peace to discharge the debts which unavoidably wars have occasioned, not ungenerously throwing upon posterity the burden which we ourselves ought to bear."

Eighth, observe good faith and justice toward all nations—steer clear of permanent foreign alliances. "Taking care always to keep ourselves by suitable establishments on a respectable defensive posture, we may safely trust to temporary alliances for extraordinary emergencies."

This was the measure of the man who led the country to independence. His memory will always be revered. His Farewell Address will always be read and studied. In the spirit of Abraham Lincoln's proclamation of 1862, it is indeed fitting that every American should read it, not only today, but often.

neighbors in Fallsington telling him that his three children were being neglected and that Gantz was keeping company with his wife, and that Gantz had lived at the Roberts home for at least a month before Roberts returned home.

"I warned both my wife and Gantz that if they desired to continue a keep company that the children should not be neglected," Roberts testified. "And I also warned Gantz that if I caught him and my wife together again I'd blow his top off."

Mrs. Roberts, who was the prosecutrix in the case, was asked by Judge Keller whether it was true that she had cheated on her husband while he was in the service, and the woman admitted that she had.

"I realize," she said in answer to another question by the court, "that I was almost the cause of the death of one of my children, had my husband's bullet struck that night."

Judge Keller gave Mrs. Roberts and Gantz a caustic warning that if he was caught with Mrs. Roberts, annoying her in any way, that he would be dealt with properly.

"This is a very sordid picture," Judge Keller commented as he called all three to the bar of the court. "This is something that is occurring entirely too much and it cannot all be blamed on the war. People have lost the sense of propriety in married life, that's what has happened. This is a sample of what we hear regularly in divorce cases. I sympathize with you Mr. Roberts, but you took the law in your own hands, with the quick temper that you have, and that's bad. And as for you, Mrs. Roberts, you are as much responsible for this case as anyone, if not more so. If you do not have respect for yourself, at least go home and conduct yourself properly so that your children and your husband will be proud of you."

Gantz, who formerly boarded in Trenton, promised to keep away from the Roberts home.

Judge Keller suspended a prison

Following a custom established a year ago, the county seat's two servicemen's organizations, Doylestown Post, No. 175, V. F. W., and Albert R. Atkinson, Jr., Post, No. 210, A. L., held their second joint meeting at the Doylestown Country Club, Monday evening with the latter organization as host and with almost 200 persons in attendance.

A year ago the two organizations conceived the idea of holding joint sessions at least once a year for the purpose of co-operating in the working out of servicemen's problems and for social purposes. The event last year, when the V. F. W. was host, was so successful it was agreed to have another this year.

George W. Miller, commander of the Legion post, extended a welcome to members of the V. F. W., and commander Albert R. Halderman, of the V. F. W., who gave the response. Speech making was held to a minimum.

William A. May, chairman of the membership committee, announced the post has 312 members.

## FEB. 22ND BRINGS OUT CHERRY TREE STORY

Washington's Birthday Bears Fruit With Information On Old Tree

### ON A COUNTY DIVISION

HARRISBURG, Feb. 22 — The annual crop of cherry tree stories that goes the round with Washington's birthday, bore fruit in the way of recalling what was probably the most historic tree of that specie in Pennsylvania. Secretary James A. Kell of the Department of Forests and Waters said today.

Barely a community is without trees that have historic associations, as shown by the records of big and historic trees compiled for years by the Department, but few trees have had the distinction of the old cherry tree that stood at the meeting point of Indiana, Cambria and Clearfield Counties Kell said.

The memory of this old cherry tree, an important landmark for many years and long since disappeared, is perpetuated by the tri-county monument at the junction of the three counties.

The tree gained distinction not only because three counties converged in the soil about its roots, but because it was a boundary line tree of the famous Fort Stanwix Treaty with the Six Nations, concluded with the Indians by the Proprietary Governors on November 5, 1768.

By this treaty a large area of land, extending roughly from Towanda westward to Kittanning and south into Cambria County, was conveyed to the Province. The deed is recorded in Deed Book No. 3 at the office in Philadelphia.

The western boundary of the purchase passed up the south side of the West Branch of the Susquehanna in Cambria County to the forks of the Branch at the Canon Place, which is now the corner of Indiana, Cambria, and Clearfield Counties.

The line running from the point "now called the purchase line," as described in the deed, was run by James Galbraith by order of Surveyor General Lukine, bearing the date April 7, 1788.

In the course of time, the cherry tree which marked the point was washed away and other land marks lost.

By an Act of Assembly of March 29, 1849, the commissioners of the three counties appointed surveyors to relocate the intersection corner.

After the survey the surveyors recommended the erection of a monument to mark the historic spot.

Local opinion that the expense should be borne by the State deferred the matter until 1893 when the citizens of Cherry Tree took action and a bill was approved by the Assembly appropriating \$1,500 for the purpose.

Work proceeded immediately and the monument was unveiled November 16, 1894. Over 1,500 persons gathered to participate in the dedication, at which the unveiling address was made by Governor James Beaver.

A stone wall around the monument was provided by a later appropriation.

The land adjoining was donated by Wilmer McKeage for the use of the citizens of Cherry Tree Borough, and the Civic Club, composed of women of the community, subsequently transferred the unsightly old river bed into a place of beauty.

## RECIPES

(From Bureau of Human Nutrition and Home Economics)

### Braised Celery

Tough outer stalks of celery may be used. Cut the celery in pieces and place them in a shallow baking dish. Pour in thin hot gravy made with meat drippings and water, with just enough flour to thicken slightly. Cover and bake in a moderate oven until the celery is tender. During the last 15 minutes take the cover off and let the gravy cook down.

### Cream of Celery and Soya Soup

(Serves 6)  
2 cups chopped celery (leaves and stems, pressed measure)  
2 tablespoons fat  
2 tablespoons flour  
1 teaspoon salt  
Dash of pepper  
2 cups of milk  
½ cup soya flour

Boll celery in 2 cups water for about 10 minutes. Mash the celery through a coarse sieve.

Combine the celery liquid with 1½ cups of the milk. Make a sauce of the fat, flour, seasonings, and combined milk and celery liquid. Mix the remaining ½ cup milk with the soya, then blend it in the sauce.

Add the sieved celery and heat

### Spanish or Creole Sauce

(Serves 5 or 6)  
2 tablespoons chopped onion  
2 tablespoons fat  
1 tablespoon flour  
2 cups cooked tomatoes  
½ cup chopped celery  
¼ cup chopped cooked ham or bacon

1 green pepper, chopped  
Chopped parsley  
Salt and pepper to taste

Cook the onion in the fat for a few minutes. Sprinkle the flour over the onion and quickly stir in the tomatoes, celery, green pepper, and simmer for about 20 minutes. Add the ham or bacon, parsley, and salt and pepper, and serve at once.

### Tomato Rabbit

2 tablespoons fat  
½ small onion, chopped  
½ green pepper, chopped, if desired  
½ cup finely cut celery  
2 tablespoons flour  
1 pint tomatoes  
½ pound cheese, shaved thin (2 cups)

1 teaspoon salt  
2 eggs, well beaten

Melt fat in a heavy skillet. Stir in onion, celery, and pepper. Cook a few minutes, stirring frequently. Add the flour, tomatoes, cheese, and salt. Stir and cook over low heat until the mixture thickens and the cheese melts. Pour some of this mixture into well-beaten eggs. Pour all back into the skillet and cook until thickened and creamy. Serve

on toast or crackers.

### Stewed Tomatoes and Celery or Cabbage

(Serves 5 or 6)  
1 quart canned tomatoes  
2 cups cut celery or cabbage  
1½ teaspoons salt

2 tablespoons butter or other fat  
Simmer the tomatoes and the celery together for 20 minutes, or until the celery is tender. Season with salt and fat and serve. This is an excellent way to use the other stalks of celery that are less desirable for serving raw. Or, after the tomatoes have cooked along for about 15 minutes, and finely shred-

ded cabbage instead of the celery. Cook the tomatoes and cabbage together for from 5 to 10 minutes, add the seasoning, and serve at once.

### Jellied Tomato Salad

(Serves 6)  
1 tablespoon unflavored gelatin  
¼ cup cold water  
2½ cups fresh or canned (No. 2 can) tomatoes  
1 tablespoon minced onion  
½ small bay leaf  
½ teaspoon sugar  
¼ teaspoon salt

Pepper  
1 tablespoon lemon juice  
½ cup finely chopped cucumber  
½ cup finely chopped celery

Soften gelatin in the water. Cook tomatoes, onion, and bay leaf — about 20 minutes for fresh tomatoes, 10 for canned. Press through

a sieve and measure 1½ cups (if

Add hot, sieved tomatoes to gelatin not enough, add boiling water). and stir until gelatin is dissolved. Season with sugar, salt, pepper, and lemon juice. Chill. When gelatin mixture begins to stiffen, add cucumber and celery. Mix well.

Pour into a mold or pan rinsed in cold water. Chill until firm. Serve with salad dressing on lettuce or other salad greens.

### Casserole Fowl with Vegetables

4 or 5 pound fowl  
Salt and pepper  
Flour  
2 tablespoons butter or other fat  
3 carrots  
1 bunch celery  
1 onion  
1 green pepper  
1 cup hot water  
1 cup milk

Cut up the fowl, season with salt and pepper, sprinkle with flour, and brown in the fat in a frying pan. Remove the browned pieces to a casserole.

Chop the vegetables, and pour them into the frying pan to let them absorb the browned fat. Then transfer them to the casserole with the chicken, add a cup of hot water, and cover.

Cook in a slow oven (275 degrees F.) for 3 or 4 hours, or until the bird is tender. Add more water from time to time, if necessary.

Just before serving, remove the pieces of fowl, and skim off excess fat from the mixture of broth

and vegetables. With two table-

spoons of this fat mix an equal quantity of flour and add with the milk to the contents of the casserole. Cook for 10 minutes longer, season to taste, and pour the vegetable sauce over the fowl, or replace the pieces of meat in the sauce and serve from the casserole.

### Egg Croquettes

1 tablespoon minced onion  
¼ cup minced celery  
3 tablespoons fat, melted  
6 tablespoons flour  
1½ cups milk  
2 cups cooked macaroni (about ½ inch pieces)

4 to 6 hard-cooked eggs, chopped  
1 tablespoon minced parsley, if available  
Salt and pepper  
¼ teaspoon poultry seasoning or thyme  
Fine, dry bread crumbs

Cook the onion and celery in the melted fat until lightly browned. Blend in the flour. Add the milk and cook over low heat, stirring constantly, until thickened. Stir in the macaroni, eggs, parsley, and seasonings; then spread evenly in a shallow pan. When thoroughly chilled, shape into croquettes and roll in bread crumbs. Cook in a little fat in a frying pan until brown on all sides.

Or place on a greased baking sheet and bake in a moderately hot oven (375 degrees F.) for 30 minutes. Turn the croquettes until brown on all sides.

### Chicken Salad

To 3 cups of cooked chicken, cut

into small pieces of even size, add thick salad dressing. Let the mixture stand in a cold place for several hours. Shortly before serving, add 2 cups of cut celery and more salad dressing if needed to coat all the pieces. Season to taste with salt.

If desired, add one-fourth cup of capers when the chicken and celery are combined. Hard-cooked, sliced or cut in quarters, may be used as a garnish, or mixed with the salad to make it go further.

## HIGH SCHOOL GIRLS WIN CLOSE GAME

The Bristol High School girls' basketball sextet eked out a 19-18 victory over the Morrisville High girls yesterday afternoon on the local floor.

Theresa Cahill's foul goal in the closing seconds of the tilt gave the Bristol lassies the victory. In addition to scoring the winning point, Cahill scored 14 points, six coming in the second half when Bristol had to rally to overcome a Morrisville lead.

Bristol's margin of victory came from the foul mark as it scored five of its seven foul tries. Morrisville made but two free goals in six tries.

The brilliant guarding of Dorothy Davis, Bristol's guard, was outstanding throughout the contest.

## Sports Are 'Democratizer,' P. T. A. Members Are Told

CORNWELLS HEIGHTS, Feb. 22—Miss Martha A. Gable, special assistant to the health and physical education board, Philadelphia school district, appeared before members of Cornwells Parent-Teacher Association last evening as the speaker.

Miss Gable, who has travelled in Europe and Australia, as well as through various parts of the United States, told of differences in customs and eating habits, then took as the main theme of her address "Physical Fitness in a Practical Sense."

"We need sports and exercise to acquire an exuberant well-being," she stated, adding that this and muscle-toning can be secured through dancing, calisthenics and game sports. Need for more intramural sports was stressed in order that every child might have the opportunity to participate in such activities, rather than outstanding students being chosen for games and contests with other schools."

The need on the part of women to learn to "take criticism" was mentioned, also their need to cooperate more in sports. "They should learn this lesson early in life and they will then have a better sense of sportsmanship," commented Miss Gable. She spoke of sports as a "great democratizer," telling of her attendance at Olympics abroad. "Sports is a universal language," she commented.

"Utility skill" was also considered, and women were advised to make proper use of their muscles in doing their housework. "Use every muscle every day," was the advice given by the one who demonstrated how to bend and lift properly so that muscles are brought into play in the right way, and the individual benefitted rather than becoming "worn out" by the

## Post Buys A Site For Homes for 'Vets'

The post authorized the Home Building Fund Committee to take proper steps immediately to purchase the Radcliff farm, consisting of 164 acres, for \$37,500. The tract includes a fine colonial stone house, excellent barn buildings, plenty of woodland for the development of a summer picnic site, a stream, and enough other land on which to develop a very fine type veterans' home project.

Officers of the local post conferred with both government officials, leading bank officials handling veterans' affairs, and with their legal representative before taking action. In every instance—especially from the housing authorities—the post was complimented concerning the project.

Post members were assured that sufficient and proper material will not be available for the erection of a new VFW home for at least two years but that a veterans' home building project will get immediate priority. Until the new VFW home is erected, the present headquarters of the local post will be maintained.

Fourteen new members were admitted to the local post, bringing the membership to 551 overseas veterans. Ten new members were obligated. New members added to the roster are: John O'Neill, Neshaun, Stanlick White, Labaska; Walter A. Taylor, Perkaskie; Charles R. Maxis, George A. Mitchell, Curtis L. Lyons, Richard G. Jodry, Charles Downey, Arthur Tyson, Harold Hellyer, Jr., William Lydak, C. A. Hagood and Harry Wilson.

Relief Officer Peter Carney reported that his committee has taken care of a number of cases in the post where sickness has occurred and hospitalization was necessary. He also reported attending a meeting of the organization committee of a VFW baseball league in Lansdale last Sunday. The post gave the athletic committee full authority to use its own judgment about joining

## Bridal Shower Given To A Localite in Croydon

Mrs. Arthur White, New Buckle street, was tendered a surprise bridal shower by members of her Sunday School class, Tuesday evening, at the home of Mrs. Ralston Hedrick, Croydon. Mrs. White is the former Miss Lillian Keates, Croydon. A large umbrella in pink and blue paper, was arranged in the living room, with streamers extending to gifts hidden in the room. Group singing and games preceded a buffet lunch.

Invited friends included: Mr. and Mrs. Arthur White, Bristol; Mr. and Mrs. Ralston Hedrick, the Misses Ruth Tyler, Dorothy Bennett, Ann Hedrick, Pauline Knoll; Messrs. Ralston Hedrick, Jr., and James Kennedy, Croydon; Miss Blanche Starnes, Bridgewater.

### Today's Quiet Moment

By The Rev. E. G. Yeomans  
Pastor  
Bristol Presbyterian Church

O God, forbid that we should become too busy to serve Thee as we should. Quicken us in the way of service that this cannot come to pass in our lives. Forgive us when we err in this respect and awaken us into realization into that error.

Remind us of the Eternal Love of Jesus Christ which alone can lighten and sweeten life in the midst of darkness and bitterness. May that faith which led Christ to the Cross to die for us be the faith that leads us in our living for Him.

Forgive us for our feverish ways; recloth us in rightful minds, that in purer lives Thy service we may find, and in a deeper reverence, praise Thee. In Jesus' Precious Name we pray. Amen.

CHEMICAL WORKERS GET BIG JOLT WHEN ROEBLING FIVE WINS

Trenton Team of Mercer Industrial League Takes Contest, 37 to 33

ROSSI IN TOP FORM

Kaiser Cargo Bows To The Panyete Team, Despite Smith's Brilliant Playing

Rohm and Haas hopes of entering the Mercer County Industrial League play-offs received a jolt last night on the Maple Beach court as the J. A. Roebling aggregation beat the chemical workers, 37-33, and the Panyete five won over Kaiser Cargo, 36-33. Panyete and Rohm and Haas are battling it out for fourth position.

It was a case of too much "Pete" Rossi for the Maple Beach team last night. Everytime the chemical workers would get ahead, "Pete", one of the three Rossi brothers in the Roebling line-up, would score to either deadlock the count or put the steel-workers ahead.

Despite four foul goals and a field goal in the last three minutes by Devon Smith, the Kaiser Cargo team bowed to Panyete, 36-33.

The Kaiser team was trailing by a large margin until Smith went on the scoring spree and cut into the Panyete lead. But Smith received little help from his mates and Wheeler scored a pair of field goals towards the finish of the tilt which made the visitors' victory certain.

Smith was high for the airplane workers while Wheeler and Sussman scored 21 points for the Trenton team.

SPORTSMEN'S BRIEFS

A "flop", although it is tagged "America's Outstanding Sporting Event," the National Sportsmen's Show, which opened at Madison Square Garden last Sunday, was pretty much of a failure and disappointment as far as Harry Bossler, John Johnson and I were concerned.

We were there last Sunday, and so was half of the population of New York City. Outside of the boys who counted up the day's "take" from paid admissions I don't believe anyone had a really pleasurable day. Most of the visitors left with headaches, scuffed shoes, aching necks and ruffled clothing and dignities.

It was worse than being in a nylon hosiery line at a women's apparel shop (from what they tell me of those lines).

The stage show was good, at least that part of it which we managed to witness. We saw parts of fly casting demonstrations, target shooting events, log rolling and duck calling numbers, bait casting, archery, retrieving dogs and horseshoe pitching events. We also heard the splash of the canoe tilting event.

There were 80 some exhibitors, including publishing houses, airplane companies, oil concerns, novelty booths, etc. And when we did succeed in getting up to an exhibition we were too exhausted to inspect the half dozen guns, the handful of reels or the small assortment of fishing rods.

Edgely meeting... the February meeting of the Edgely Rod & Gun Club will be held next Tuesday evening, February 26th, at the Bradley Manor Fire House. All sportsmen are welcome. The meeting will get underway at eight o'clock.

First Annual February Smallbore Gallery Tournament... the Conestoga Rod & Gun Club is sponsoring the rifle tournament which will be held this Sunday on the indoor ranges at the Richboro Firehouse.

The program includes 8 matches with the shooting scheduled to begin at 9:30 in the morning. Any 22 calibre rimfire rifle may be used. The matches will all be conducted under the rules of the National Rifle Association.

Notes on a local sportsmen's club... at a recent meeting of the Newportville Rod & Gun Club in the Clubhouse, Haunted Lane, Bridgewater, the following members were elected as officers for the current year: Pres., William Vandegrift; V-Pres., S. Hansen; Secretary, Walter Parker; Treasurer, John MacAlenvey. A vote of thanks was given the retiring officers for their splendid work in carrying on club activities through the war years.

The club is now recruiting and organizing a pistol and rifle section, to be affiliated with the National Rifle Association. All benefits of the N. R. A. will be open to these recruits. Juniors as well as Seniors are wanted. All will be classified and coached. Shoots with other clubs are to be carded. Those interested in shooting are asked to get in touch with the secretary for details. His address is 6528 Marsden St., Phila. 35.

Another sportsmen's show... Philadelphia's Motorboat and Sportsmen's Show will open at the Commercial Museum on Monday for a week's exhibition. The show will include demonstrations of fishing and hunting prowess, water bullets, bird shows, wood sawing and chopping, canoe tilting, archery and log rolling.

The show is open from 1 to 11 p. m. daily. Admission is 50 cents plus tax; children 40 cents plus tax.

TULLYTOWN

Sunday visitors of Mr. and Mrs. John Doan included Mrs. Charles Wolf, and daughters, Eva and Alberta, Walter Wolf, Ardmore; Mr. and Mrs. John Doan, Jr., and daughters, Eleanor, Bristol; Mr. and Mrs. Herbert Chilton, Bordentown, N. J.; Mrs. Lavinia Van Horn, and Miss Emma Cox, Morrisville; Mrs. John Helble, Mrs. Christopher A. Johnson, Mrs. Frank Doan, and Mrs. Elizabeth Lefever, Tullytown. The occasion was the birthday anniversary of Mrs. Doan.

CELTICS LEAP INTO FOURTH PLACE IN YOUTH LEAGUE

Win Closely-Fought Game by Narrow Margin of Two Points

FINAL SCORE, 35 TO 33 Eagles Go Into Deadlock For Second Position In The League

In a closely-fought contest, the Celtics leaped into fourth place in the Bristol Youth League by conquering the Catholic Boys' Club, 35-33, last night on the Mutual Aft floor.

The lead in the game changed several times and at no time did either team hold more than a four-point lead. The Celtics were ahead at the close of the first quarter, 4-2, but the Catholic Boys came back to take the half-time lead at 17-14.

The score was tied at 25-all at the close of the third session and the Deblamen rallied to score the two-point win.

In the other game played, the Eagles went into a deadlock for second place by whipping the Fifth Ward Sports, 37-29.
